

JOB DESCRIPTION

Job Title	Analyst/Associate/Senior Associate – Investments (basis years of experience)
Function	Investments
Company	AMP Energy India Pvt. Ltd.
Location	New Delhi (or any of our regional offices in Mumbai/Bangalore/Kolkata – location not a constraint for the right candidate)

Company Profile

Amp India is emerging as a leading balanced GW scale integrated renewable energy power producer in India that is focused on delivering clean and green energy to both C&I and utility customers. With a Pan India presence and a world class team with proven experience in developing, financing, building and operating GW scale renewable energy project portfolios, it is targeting an overall portfolio size of 5 GWp in India. Amp India is backed by leading international institutional investors from North America, Europe, Japan and India.

Amp India is part of Amp Energy (Amp). Amp is a global energy transition platform. It develops, owns and operates clean energy assets throughout its core markets around the world, alongside Amp X, the disruptive grid-edge technology platform utilizing proprietary artificial intelligence expertise. The company is headquartered in Toronto with global operations throughout Japan, Australia, India, Spain, Czech Republic, UK and North America. **For more info, visit www.ampenergyindia.com**
